

Companion Dog Training

Maren Bruun, Paw In Hand Pet Services & Kate Mutzke, Fresh Start Dog Training

Present: Companion Dog Training

When: Classes start 6:30pm - 7:30 pm / 7:45pm - 8:45 pm
Sundays Oct 17 - Nov 14 no class on Oct. 31

Where: Brennan Park Community Center / Auditorium

Cost: \$100 / 4 classes, register at www.squamishlive.ca

What to expect: STEP ONE focuses on attention, on and off leash and impulse control issues. Using Positive Reinforcement, motivation and benevolent leadership.

Covers: Sit/down/stand stays to teach dogs how to settle, and recalls away from distractions. Working on and off leash through everyday life challenges; from greeting people politely with four on the floor, to curbing bad habits of chasing vehicles, skateboards and bikes included. We will also cover appropriate social skills when meeting other dogs.

Result: Your dog will be eager to follow your benevolent lead whether at home or out on the trails.

Prerequisite: Enthusiastic owners and their happy go lucky dogs ... those in need of some training but not with any serious behaviour issues. If you are unsure contact us to discuss your dog and assess your needs. Age: 5 months and up

*Private sessions available to those working towards a class environment.

What to bring: Your dog (wearing a plain buckle collar), You (wearing comfortable outdoor clothing), 6 foot plain leash, walking harness if you use one, scrumptious small soft dog treats that your dog will jump hoops for, special toy that your dog goes googly eyed over, and a soft mat.

* Please leave your dog in your vehicle when you first arrive (with leash attached if it is safe to do so). Bring your gear (treats, toys and mat) to the meeting area.
